We agree to use our best efforts to post notice of any extended periods of non-availability on the QNB-Online web site.

Security - You understand the importance of your role in preventing misuse of your accounts through QNB-Online and you agree to promptly examine your statement for each of your QNB Bank accounts as soon as you receive it. You agree to protect the confidentiality of your account and account number, and your personal identification information, such as your driver's license number and social security number. You understand that personal identification information by itself, or together with information related to your account, may allow unauthorized access to your account. Your password and login ID are intended to provide security against unauthorized entry and access to your accounts.

QNB Bank-ONLINE AGREEMENT

QNB Bank may require additional authentication measures to authenticate you as the person logging in to QNB-Online. Data transferred via QNB-Online is encrypted. Notwithstanding our efforts to ensure that QNB-Online is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, that occur on the Internet potentially can be monitored and read by others. We cannot and do not guarantee that all data transfers utilizing QNB-Online or e-mail transmitted to and from us will not be monitored or read by others.

Your Password - For security purposes, you determine what password you will use and the identity of your password is not communicated to us. You agree that we are authorized to act on instructions received under your password. You accept responsibility for the confidentiality and security of your password. You will be required to change your password at least every 180 days. Upon three unsuccessful attempts to use your password, your access to QNB-Online will be revoked. To re-establish your authorization to use QNB-Online, you must contact us to have your password reset or to obtain a new temporary password.

We recommend that you create a password that utilizes numeric and both upper and lower case alpha characters and symbols for purposes of security. Your password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, and names of children, and should be memorized rather than written down.

Touch Authorization – If you have enabled touch authorization, you agree to secure your device against unauthorized access. You agree that we are authorized to act on instructions received under your touch authorization.

4-Digit Passcode Authorization – If you have enabled 4-digit passcode authorization, you accept responsibility for the confidentiality and security of your 4-digit passcode. You agree that we are authorized to act on instructions received under your 4-digit passcode authorization.

We encourage you to make use of these items to assist you with monitoring your accounts. Some security preferences may be required by the Bank in order to adhere to commercially reasonable protection of your QNB-Online account. If you receive an alert, and you did not initiate or perform a transaction that would trigger this alert, you are required to contact the Bank immediately for further investigation.

We undertake no obligation to monitor transactions through QNB-Online to determine that they are made on behalf of the accountholder.

Fees and Charges - You agree to pay the fees and charges for your use of QNB-Online Services as found in the QNB Bank fee schedule at www.qnbbank.com or at your local QNB Bank branch. Fees and charges can be changed after notice to you. Fees will be deducted from a transaction account as

You agree to communicate with any other persons with authorized access to your accounts concerning any transfers from your accounts in order to avoid overdrafts.

Limits on Amounts and Frequency of QNB-Online Transactions - The number of transfers from QNB accounts and the amounts which may be transferred are limited by the terms of the applicable deposit and disclosure agreement (i.e. transfers from a savings or money market account to another account or to third parties by preauthorized, automatic, or telephone or internet transfer are limited to six per calendar month), of which you acknowledge receipt, for those accounts. If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of the funds held until the hold expires.
